Mandatory

**** Please Note: Each participating float is required to provide the Scugog Chamber of Commerce with a copy of your liability coverage policy naming the Lions of Port Perry Inc., the Scugog Chamber of Commerce, Township of Scugog, and Region of Durham as additional insureds. Floats that are being pulled by horses require the same policy with a minimum of \$2 million insurance coverage.**

Important

Parade Float Requirements:

All floats **must** be dressed up in a **seasonal Christmas theme** with **festive lights** or the float will not be allowed into the parade.

No non-dressed commercial vehicles will not be allowed in the parade. No two(2) companies will be able to “share a float” or use another companies float to “piggy back on”. It is a night time parade so floats look amazing and can be seen better lit up! 😊

TIMELINES:

Floats need to be at the Fairgrounds between 1 and 4PM to obtain their placement within the Parade. The Parade will begin at 5PM. The floats leave the fairgrounds at regular intervals. Please keep that same distance between you and the float or band before you (about 3 car lengths).

TIMING IS EVERYTHING! 😊

DON'T THROW ANYTHING FROM THE FLOAT:

Please **DO NOT THROW CANDY** or anything into the crowd from your vehicle/float. Children tend to run into the street to retrieve candy that is being thrown at them and it creates a safety concern. If you have candy to give out, please have your people walk along the side of the road, close to the children, to hand it out. Please ask your people to keep up with your float.

Important

Please **DO NOT** have **ANY** float riders over wheel-wells!

This is extremely dangerous!!!

SANTA COSTUMES:

Please make sure that there are no individuals dressed as Santa on your float. We want to ensure that there is only one Santa in the parade.

PARADE ROUTE:

The parade will travel along Reach Street, to Simcoe Street (turn right), south to Queen Street, turn left onto along Queen Street, then right on Water Street, then right up Mary Street. All floats, with the

exception of emergency vehicles, will exit the parade route turning **right along Water Street to Mary Street, then right into Mary Street** to wait until the end of the parade has passed Queen and Simcoe. Remember if you are among the first floats, you must wait for the parade to pass Queen & Simcoe before you can exit off Mary back to the fair grounds to drop off.

PICK UP LOCATION:

At the end of the parade, floats will proceed up Mary Street back to the Fair Grounds. Parents, make Arrangements to pick up your children at this designated spot after the parade. **No vehicles will be allowed to stop on Mary Street** to unload but will proceed directly back to the Fair Grounds once the parade has left Simcoe Street. If you are picking up a child please **wait** at the Fair Grounds or arrange another meeting spot outside of the parade route. **Please make your pick up plans prior to the day.**

THE PARADE WILL NOT STOP ON MARY STREET TO LET CHILDREN OFF A FLOAT.

*Merry Christmas!
Enjoy!*
